

Gas & Firewood

Connected and spare gas bottles are distributed as described in the continuation. You are welcome to interchange bottles, but please leave all empty ones in the designated exterior compartments:

The Garden Kitchen, accessed from the parking area:

- 1 bottle connected to supply gas to the garden kitchen gas hub
- 1 spare bottle

The Spa area:

- 2 bottles connected to supply hot water to garden kitchen sink, hotub, garden bathroom sink and shower
- 1 spare bottle

The backyard gas BBQ:

- 1 bottle connected to BBQ
- 1 Spare bottle

The Annex, located underneath the exterior staircase:

- 1 bottle connected to supply hot water to Annex kitchen and bathroom as well as the sundeck sink above the annex and the backyard sink in connection with the gas BBQ
- 1 Spare bottle

The main house, accessed from the kitchen counter:

- 1 bottle connected to supply hot water to Main House kitchen and bathroom

Firewood:

You will find the firewood here, behind the garden shower
